

BITS (WILP) Mid-Semester Examination Guidelines

Hi All,

Please read the following guidelines carefully before appearing for the Mid-Semester Examination.

Before the Exam

1. The examinations will be conducted at the designated Exam Centers and not from home, except for:
 - International students, and
 - Students specifically advised by BITS to take the examination online.
2. The examination will not be purely MCQ-based. Depending on the subject, questions may include:
 - Numerical problems
 - Descriptive questions
 - True/False questions with reasoning
 - Other formats as decided by the instructor
3. Students must visit their assigned Exam Center on the scheduled examination date. It is advisable to reach the center 20–30 minutes before the reporting time to complete the formalities smoothly.
4. Upon arrival at the Exam Center, check the student allocation list and identify your assigned classroom.
5. Proceed to your assigned classroom and occupy your designated seat.

Items Allowed During the Examination

Students may carry the following items to their desk:

- Hall Ticket
- Non-programmable calculator
- Analog watch
- Water bottle
- Pen/Pencil pouch
- Valid Government-issued Photo ID (recommended)

Items Not Allowed During the Examination

The following items are strictly prohibited during the examination:

- Mobile phones
- Smart watches
- Programmable calculators
- Formula sheets/books
- Notes or study materials
- Textbooks
- Any unauthorized reference material

Please keep all such items inside your bag. Bags should be kept inside the classroom at the designated location as instructed by the invigilator.

Identity Verification

1. Carry a valid photo ID proof, as it may be requested by the Exam Center staff.
2. Carrying the BITS Student ID Card is optional. Generally, it is not checked during the examination process.

Examination Process

1. Students will be provided with an Answer Sheet.
2. Fill in all the required details on the front page of the answer sheet carefully. A sample answer sheet is attached at the end for reference.
3. Students should remember their Mettl platform credentials. It is recommended to note them down on the Hall Ticket for easy access.
4. Each student will be assigned a computer system.
5. Log in to the Mettl platform using your credentials.
6. Once the examination starts, the question paper will be displayed on the computer screen. The examination timer will be visible on the top-right/left corner of the screen.
7. Students must read the questions on the monitor and write their answers on the provided answer sheet.
8. Questions can be attempted in any order. It is not mandatory to answer them in the sequence presented.

After Completing the Examination

1. Once the examination timer ends, or if a student completes the examination early, Mettl will provide an additional 20-minute window for scanning and uploading the answer sheets.
2. During this upload period, students may take out their mobile phones from their bags solely for the purpose of scanning and uploading answer sheets.
3. Each question will have a unique QR code.

4. Scan the QR code using your mobile phone camera. This will open the corresponding upload page in your mobile browser.
5. After scanning a question's QR code, upload only the answer sheet pages corresponding to that particular question.
6. Students will be able to preview the uploaded pages on the Mettl portal.
7. Repeat the process for all attempted questions.
8. Carefully verify all uploaded pages before final submission.
9. The scanning and uploading process must be completed within the allotted 20-minute upload window.
10. Once the upload is successfully completed, submit the physical answer sheet to the Exam Coordinator before leaving the examination hall.

Important Reminders

- Ensure your Mettl credentials are readily available.
- Write clearly and legibly on the answer sheets.
- Verify uploaded pages before final submission.
- Do not leave the examination hall without submitting the physical answer sheet to the Exam Coordinator.
- Follow all instructions given by the invigilators and Exam Center staff.

=====QNA=====

Below are some Frequently Asked Questions (FAQs):

Q:- Are the exams going to be objective? The mid term ones.

A:- no,

They'll be descriptive/Numericals/question-answer based

Q:- In the recent mail, they've mentioned something about the system being configured... That's why I figured maybe it's an objective type...

A:- each student will be assigned a computer at the exam center. The questions will be displayed on the system, and the exam center will provide answer sheets. Students must write their answers on the provided answer sheets and submit them at the end of the exam.

Q:- Is there any exam which is done at home? Or all done in exam centers?

A:- All at exam centre

Q:- get id card. Is it needed for exams?

A:- id card is not needed for the exam.

only hall ticket is required

Q:- will BITS provide calculators at the exam center?

A:- BITS will not provide calculators at the exam center. Students are required to bring their own calculators. Please ensure that the calculator is non-programmable, as programmable calculators are not permitted.

Q:- I have seen the exam platform having an on screen calculator usually then they don't allow physical ones.

A:- they do allow the physical ones and it should be a non programmable

Q:- you need to write the answers in the paper provided

A:- Each student will be assigned a desktop for the examination.

Students must log in through the Mettl portal using their credentials. The question paper will be displayed on the monitor.

BITS will provide an answer sheet to each student. Students are required to write their answers on the provided answer sheet and submit it as instructed at the end of the examination.

For overseas students, the examination will be conducted remotely from their homes. Therefore, they must complete the system compatibility check

Q:- Upcoming mid sem exam will happen on pen/paper, right?

What's the mettl's role there?

A:- We will go through the questions on the Mettl portal during the exam. Once the exam time is over, we need to scan our answer sheets and upload them to the portal within the stipulated time.

Q:- So questions will come on mettl portal? Or we will be given printed papers?

A:- on the Mettl portal

there will be no printed question papers. Students will need to log in to the portal using their individual credentials to access the questions.

Q:- So in exam centres, we will be provided with computers?

A:- yes

Q: Where would I keep my phone at the exam center?

A: We need to keep our mobile phones in our bags, and the bags must remain inside the classroom. The BITS staff will not be collecting or storing our phones separately.
